## ***Take up the Défis Ski Affaire: sign up your team!***

Challenge other companies to a series of friendly ski and snowboard races at Sommet Saint-Sauveur versant Avila slope. On four (4) Wednesdays, take part in an evening of fun and competition, with a theme to represent, a thrilling race and a gathering in our Jack Rabbit restaurant to close the evening!

### **Why sign up?**

#### **A fun, sporting challenge**

Build strong bonds with your colleagues while having fun in a friendly atmosphere. Ski Affaire challenges are the ideal opportunity to strengthen team spirit in a relaxed, sporting setting.

#### **Compete at your own pace**

Each participant competes in his or her own category (men/women, ski/board) and earns individual points that are added up for the team. Points will be awarded for the slowest time (maximum 180 sec). At the end of each evening, a podium for each category is presented.

#### **Team participation and creativity**

Each week, teams are asked to take on a theme and dress up. Team points will be awarded for involvement (costumes, participation, etc.). Individual points will also be added to the team total. At the end of the series, the most creative and successful team will be awarded a special prize.

#### **Team flexibility**

You can change your team composition each week, as long as your team meets the participation criteria (1 skier and 1 woman, min. 3 participants).

#### **Festive evenings**

After each race, enjoy a festive gathering at Jack Rabbit, the restaurant on the Avila slope, with a free
